

Dear Physicians and Referring Providers.

Our facility appreciates your continued support and patient referrals. Due to the Covid-19 pandemic, we have made some changes to our operations as follows:

1) Limited patient interaction. Only patients and required caretakers are permitted to enter the facility. Masks will be required while in the building and during all examinations.

2) Screening for all patients and caretakers. All persons entering the facility will undergo appropriate screening procedures. Anyone exhibiting symptoms will be refused admittance.

3) Walk-in X-Ray patients will be permitted during the hours of 8:00am - 11:00am and 12:30pm -4:00pm schedule permitting. Please see patient scanning requirements below.

4) Office hours are subject to change.

Southlake MRI & Diagnostic Center is committed to providing your patients with high quality radiology services in a safe environment. We believe these steps ensure both staff and patients limit exposure to Covid-19. If you have any questions, please contact our office. Thank you for your understanding.

PATIENT SCANNING REQUIREMENTS

1) Patients and caretakers will have their temperatures taken upon arrival, any patient with 100.4 degrees Fahrenheit or higher will be rescheduled

2) All persons entering the facility will be REQUIRED to wear a mask over the nose and mouth during the entire time they are at the center. Individuals will be advised to wear their own masks; supplies are extremely limited.

3) Patients will be asked to go directly to the washroom and wash their hands prior to filling out any paperwork at the center. Persons are asked to maintain social distancing of 6 feet in the waiting room.
